## Chapter 1 by Gabbathehutt

Once upon a time. There was a person named Uskel Tagadun. He loved science. He would stop a nothing to become the most known scientist in the world. Here's what happened...

## Chapter 2 by intellikat

...He was diagnosed with cancer.

## Chapter 3 by intellikat

Uskel knew that the way to kill two birds with one metaphorical stone would be to become the most known scientist in the world by discovering a cure to cancer and applying it to himself. But for this, well, he would need to actually study science. For he was only 10 years old.

## Chapter 4 by intellikat

And so he did. Online, with the University of Phoenix. It took him only three months. Plenty of time left.
